

M-1 WOODWARD AVE. IMPROVEMENTS TIMELINE

The Michigan Department of Transportation (MDOT) is performing capital preventive maintenance on 2.3 miles of M-1 (Woodward Ave.) from 14 Mile Rd. to Quarton/Big Beaver Rd. There will be 1, 2 or 3-lane closures as noted below to allow for cure time, concrete patching and saw cutting. Work will occur during daytime and nighttime hours as noted.

Oct. 9-12	Evening and night work 9 p.m. to 6 a.m.	4 days	Daily lane closures
Oct. 13-15	Weekend - 3 lane closures for patching	3 days	Southbound lanes
Oct. 16-19	Weekend - 3 lane closures for patching	3 days	Southbound lanes
Oct. 20-22	No night work; only daytime work in 1 lane	4 days	Southbound lanes
Oct. 23-26	Weekend - 2 lane closures for patching	3 days	Southbound lanes
Oct. 27-29	No night work; only daytime work in 1 lane	4 days	Southbound lanes

Current Schedule as of: Oct. 9, 2017

Note: All scheduled closures may need to be adjusted due to weather and/or unforeseen conditions. For more information, contact Lori Swanson, MDOT Project Manager, at 248-451-2456.
