**Learn about Fire Safety at Birmingham Fire Dept. Open House Event**  
**Saturday, October 14 from 1 p.m. to 4 p.m.**

BIRMINGHAM, Mich., October 2, 2017 – Learn about fire safety and meet your firefighters at their annual Open House event on Saturday, October 14 from 1 p.m. to 4 p.m. at the Adams Fire Station located at 572 South Adams. Visitors will be treated to a variety of fire rescue demonstrations including EMS and vehicle extrication displays, along with HAZMAT apparatus and equipment.

Attendees will have the opportunity to operate a fire hose and view portable fire extinguisher demonstrations. Little ones can climb on and explore inflatable obstacle courses.

“We hope attendees have a great time while learning life-saving fire safety information,” said Birmingham Fire Chief John Connaughton. “We look forward to seeing the community and enjoying a fun afternoon together.”

Those in attendance will enjoy fire house chili while talking with firefighters. All attendees are encouraged to enter a raffle and enjoy refreshments at this family-friendly event.

For more information, contact the Birmingham Fire Department at (248) 530-1900 or visit [www.bhamgov.org/fireopenhouse](http://www.bhamgov.org/fireopenhouse).
