“Again this year golfers may call ahead to reserve an Adaptive Golf Cart,” said **Lauren Wood, Director of Public Services**. “The cart makes golf accessible to those who need assistance to play and we’re proud to offer them at both Lincoln Hills and Springdale Golf Course.”

Adaptive Golf Carts are easy to handle with ergonomic controls. They can drive over greens and tees with no impact to turf, allow users to drive over rough terrain with confidence, and offers users the ability to easily enter/exit using a 360 Degree Swivel Seat. When reserving a tee time, golfers are instructed to inform the Pro Shop Staff that they would like to reserve the Adaptive Golf Cart, and arrive 15 minutes early to go through a simple orientation for the operation of the cart.

Lincoln Hills and Springdale Golf Course offer a quick round of golf for those on the go and are rated as two of the top nine-hole courses in Oakland County. Upon opening, reservations may be made online or by calling Lincoln Hills at (248) 530-1670 or Springdale at (248) 530-1660. Reserve your tee time and learn more at www.GolfBirmingham.org.
