Sheila Brice has devoted much of her life to the improvement of the city, its schools, and most especially, its library. Ms. Brice worked as a Community School Organizer and Community Service Organizer with the Birmingham Public Schools and Community Relations Coordinator at the Baldwin Public Library.

One of the founders of the Diversity Task Force on Race Relations, Sheila was also selected for the honor of Diversity Champion. A champion for the library and Birmingham at large, Ms. Brice is a true inspiration to all who know her.
