City seeks Election Inspectors as it prepares for fall election and 2020 presidential election cycle

BIRMINGHAM, MI, September 18, 2019 – In preparation of a busy election season this fall as well as the anticipated high turnout during the 2020 presidential election cycle, the City of Birmingham is seeking Election Inspectors.

City election inspectors take on a variety of roles on Election Day. Inspectors duties can include: processing voters when they arrive at their polling location; assisting voters while they cast their ballots; helping to close a precinct when voting is complete as well as other assorted tasks throughout Election Day.

Candidates must be at least 16 years old (the voter registration requirement is waived for inspectors under 18), be a registered voter in the state of Michigan, and be able to attend a paid election inspector training session. Knowledge and familiarity with computers is also helpful. The pay rate for an inspector is \$11 per hour. Election inspectors can anticipate working a total of about 17 hours, with the bulk of their time dedicated to activities on Election Day itself.

“The right to vote is one of the treasured rights we have as Americans,” said the **City’s Acting Clerk, Cheryl Arft**. “We’d love to have you join us and be a part of democracy in action during the upcoming election cycles here in Birmingham.”

More information, including a link to apply, can be found on the City website at www.bhamgov.org/voting. You can also contact the City Clerk’s office at (248) 530-1880.
