

## CONCERNED ABOUT LEAD IN YOUR DRINKING WATER?

# Sources of **LEAD** in Drinking Water

- If you are unsure if you have a lead service line, you can contact the City of Birmingham's Engineering Department at 248-530-1840 to find out.
- If you are interested in having the water in your home tested, regardless if you have a lead or copper service line, you can contact the Oakland County Health Division at the following:

North Oakland Health Center  
1200 N. Telegraph Rd.  
Pontiac, MI 48341  
248-858-1280

South Oakland Health Center  
27725 Greenfield Rd.  
Southfield, MI 48076  
248-424-7000

- Additionally, a list of laboratories that test for lead can be found on the State of Michigan's website at:
