Birmingham Fire Department Collects Toys for Tots
New, Unwrapped Toys Collected through Friday, December 18

BIRMINGHAM, MI, December 1, 2020 – For more than 15 years, the Birmingham Fire Department has been helping economically disadvantaged children experience the joy of the season by partnering with the U.S. Marine Corps Toy for Tots Foundation in providing a tangible sign of hope through the holidays. The annual holiday toy drive has become a long standing tradition at the Firehouse.

From now until December 18, the Birmingham Fire Department encourages the community to participate in the annual collection by donating new, unwrapped toys for boys and girls of all ages. “It brings me so much joy to see the generosity and support of our Birmingham community as the fire station lobbies are filled with toys each year,” said Birmingham Fire Chief Paul Wells.

The Fire Department will be accepting contactless donations at both firehouses, Station 1 and Station 2. Station 1: Adams Fire Station is located at 572 South Adams (between Hazel St. and Bowers St.) and Station 2: Chesterfield Fire Station is located at 1600 West Maple (between Fairfax St. and Chesterfield St.). Toys will be accepted any time now through Friday, December 18, 2020 at 9:00 a.m.
