01-06-15 AMENDMENT TO THE PURCHASING GUIDELINES
Assistant Finance Director Gerber presented the changes to the purchasing guidelines. He
noted that most of the changes are a result of new rules regarding federal grants. While
adding that info, staff did a complete review of the entire policy. He confirmed for Mayor Pro
Tem that the purchasing guidelines address purchases under $6,000.00.

MOTION: Motion by McDaniel, seconded by Rinschler:
To approve the suggested amendments to the purchasing guidelines as outlined in the memo
dated December 29, 2014 relating to Federal grant and non-federal purchases.

01-07-15 SIGN ORDINANCE AMENDMENT REGARDING VACANT WINDOW COVERING

under construction to cover their windows. He explained that the regulations allow images or a
limited amount of text in the window covering.

In response to a question from Commissioner Nickita, Mr. Baka explained that as long as the
window covering is maintained in good condition, it would be allowed for vacant storefronts.
For those businesses under construction, it would be allowed during the construction.

X. REPORTS

01-10-15  COMMISSIONER COMMENTS
Commissioner Rinschler commented that correspondence has been received regarding West Maple suggesting an alternate process. He suggested a response from the city manager to Mr. Mirro that the Commission supports the process in place would be appropriate.

The Commission agreed that the process set up is to study issues and reach resolutions that are in the best interest of the community.

01-11-15  CITY STAFF REPORTS
The Commission received the Oakland County Water Resources Commissioner Operations Report submitted by Assistant Finance Director Gerber and City Engineer O'Meara.

Mr. Valentine explained that the intent of the meeting with the Water Resources Commissioner is to have an open dialog on specific issues relative to the different districts, fund balances within those districts, and the charges that the users in Birmingham are experiencing as a result of those fund balances and financial arrangements of the Water Resources Commissioner's office.

Commissioners McDaniel and Hoff suggested the questions be shared with the Water Resources Commissioner in advance of the meeting.
The Commission received the 2014 Museum Year in Review Report, submitted by Museum Director Pielack.

The Commission received the Parks and Recreation Board Report, submitted by Director of Public Services Wood.

Mayor Sherman pointed out that the Parks and Recreation Board report is contrary to the approved minutes. Commissioner Rinschler noted that the report is a minority opinion and pointed out that the Commission is the body which approves the minutes.

Mayor Sherman suggested this item should have been a communication instead of a board report.
