V. UNFINISHED BUSINESS

VI. NEW BUSINESS

03-94-16 ORDINANCE AMENDMENT ETHICS ORDINANCE

Ms. Fierro-Share, chairperson of the Ethics Board, explained that the proposed amendment would clarify that the ordinance only governs ethical behavior not private morality.
Commissioner DeWeese noted that one's private affairs may have an impact on public office. Ms. Fierro-Share explained that the Ethics Board does not judge private affairs. Judging non-official behavior exceeds the purview of the ethics ordinance.

Jim Robb, member of the Ethics Board, explained that the part of the ordinance about morality is essentially unworkable. When discussing ethics and measuring the conduct of city officials against the requirements of the ordinance in terms of their acts rather than their morality, it is much easier to handle.

Commissioner Bordman suggested a revision to the second paragraph of Section 2-231 to clarify that it refers to official conduct.

Commissioner Harris commented that he sees no harm in clarifying the second paragraph. He questioned whether the Commission has the authority to accept, reject, or modify the Ethics Board opinions. Mr. Robb explained that the determination of whether the conduct or prospective conduct meets the requirements of the ordinance is committed to the Ethics Board. It is up to the City Commission to determine what to do about it. He noted that the only time it is binding is if it is a question from the Commission as to whether one of its members has a conflict and must recuse him or herself.

Commissioner Sherman explained that when this ordinance was originally brought forward, the original intention was to govern everything about anyone's conduct, including official and private conduct. There were disclosure provisions and a requirement for volunteers to disclose their assets and their parents, siblings, and grandparents' assets. It was extremely overreaching. What eventually came out is what is currently in place and is really directed toward the official capacity. This language may have been a remnant from the original and this is a great change.

**MOTION:** Motion by Sherman, seconded by Bordman:
To adopt an ordinance amending Part II of the City Code, Chapter 2 Administration, Article IX Ethics, Section 2-321 Responsibilities of Public Office as amended.

**VOTE:**

**03-95-16 SPECIAL EVENT REQUEST FEED 5K & FUN RUN**
Megan Coppen, student, explained the purpose of the run is to raise money to feed the hungry at an orphanage in Zimbabwe.

In response to a question from Mayor Hoff, Kelly William, youth director at the First United Methodist Church, confirmed that volunteers will be at every intersection to let cars through during the event.

**MOTION:** Motion by Bordman, seconded by DeWeese:
To approve a request submitted by the First United Methodist Church to hold the Feed 5K and Fun Run in Birmingham May 21, 2016, contingent upon compliance with all permit and insurance requirements and payment of all fees and, further pursuant to any minor modifications that may be deemed necessary by administrative staff at the time of the event.
03-96-16 **SPECIAL EVENT REQUEST**
**CRUSING WITH THE CHILDREN’S CHARITY COALITION**
Andrea Coronado, Director of Special Events at the Community House, explained the event will benefit the Children's Charity Coalition. She explained that temporary fencing will be used to completely enclose the space including the bandshell and grassy area of the park up to the Community House. She explained there will be a tent, entertainment in the bandshell, and a classic car display on Bates Street. She noted that the sidewalks near the library will be open for public access.

Commissioner Sherman expressed concern with blocking off the park. He questioned whether the event could be done without the fence around the entire area. Commissioner Bordman agreed.

Ms. Coronado and Ms. Ninneman agreed to review the plans and return to the Commission with an alternate layout.

Mayor Pro Tem Nickita stated that this poses a policy question as to when and how the parks are used. He suggested that this is something that the City may want to explore with the Parks Board and have a recommendation as to how Shain Park should be used going forward. He commented that it would be better to have a clear understanding of what the City is allowing or not allowing and set the precedent that way as opposed to at the Commission meeting. Mayor Hoff agreed.

The Commission agreed to postpone this item.

03-97-16 **DISABLED PARKING POLICY**
**FOR THE CENTRAL BUSINESS DISTRICT**
City Engineer O’Meara explained that the Americans with Disabilities Act will have revisions in the near future asking all cities to have marked reserved on-street parking spaces for the disabled. This would be required whenever resurfacing and reconstructing a street. He noted that this would be a city-wide change throughout the downtown area. He stated that there would be one handicap space for up to every 25 spaces on a block in accordance with the future ADA rules. The spaces would be located near an existing handicap ramp. The time limits would be the same as the other meters on the street. Those utilizing the spaces would have to pay and abide by the time limits. Those using the ParkMobile system would be able to double their time by utilizing the remote payment option. He explained that meter posts and meter heads would be painted, some of the meters would have to be separated, sign posts would be installed and pavement markings painted. He noted that the meters would be lower as any operable part has to be 42” or lower.

The Commission discussed the location of the meters and the enforcement of the new policy. City Manager Valentine confirmed that there will be a warning period once the meters are initially installed.
Mayor Hoff suggested the City provide information to the Senior Men’s Club and Senior Women’s Club at the Community House. Commissioner Bordman suggested Next be included as well.

Commissioner DeWeese noted that this does not prevent individuals from parking at any space.

**MOTION:** Motion by Bordman, seconded by Nickita:
To direct staff to proceed with implementation of the new disabled parking policy for the Central Business District, as follows:

1. Reserved, designated spaces shall be provided at the rate of at least one per 25 existing parking metered spaces on each block, located near adjacent ramps, as well as near pedestrian traffic generators.
2. Each reserved space shall have a blue marked parking meter and post, reserved parking sign using the standard accessible parking symbol, and blue pavement markings. The meter shall charge for parking at the same rate and time limit as the other meters on the block, except that no meter shall have a time limit of less than two hours.
3. Parkmobile customers parked at disabled parking spaces shall have the ability to renew their parking fee remotely one time over and above the posted time limit.
4. Staff shall implement the policy throughout the Central Business District during calendar year 2016, at which time the current policy of parking for free or at yellow curbed zones shall no longer be allowed. Disabled parkers with a yellow free parking tag affixed to their permit shall continue to be exempt.
5. All new street projects within the Central Business District shall be designed with fully compliant reserved disabled spaces in accordance with the new ADA law.
6. All costs relative to this project shall be charged to the Auto Parking System Fund.

City Attorney Currier explained that the purpose is to recover the cost that the City incurs.

**MOTION:** Motion by DeWeese, seconded by Bordman:
To adopt an ordinance amending Part II of the City Code, Chapter 1, to add General Provisions, Section 1-17, Hearing Officer for Disputed Fees.

03-99-16  AMENDMENT TO THE FEE SCHEDULE

City Clerk Pierce explained that the fees charged for permits and services are set by the Fee Schedule. She explained the proposed revisions include increasing the BLS Emergency Transport fee and Load Mile fee in the Fire Department section to cover the current cost for those services, to move the Hydrant Use fee from the Fire Department section to the DPS section as the permits are issued through DPS, and to remove the fee for a copy of the Zoning Ordinance on CD from the Public Records Policy as it is available free on the City website.
