09-190-15 CHESTERFIELD FIRE STATION ARCHITECTURAL DESIGN SERVICES

In response to a question from Commissioner Dilgard, Fire Chief Connaughton explained the bid evaluation process. He confirmed that the firm is based in Michigan.

MOTION: Motion by Dilgard, seconded by Rinschler:
To approve a contract with Sidock Group, Inc. in the amount of $154,600 for the provision of full architectural design services for the Chesterfield Fire Station, to be funded from account number 401-339.000-977.0000; further, authorizing the Mayor and Clerk to sign the agreement on behalf of the City; and further, approving the appropriation and budget amendment as follows:

Capital Projects Fund
Revenues:
  Draw from Fund Balance  401-000.000-400.0000  $154,600
Expenditures:
V. UNFINISHED BUSINESS

VI. NEW BUSINESS

09-191-15  ORDINANCE AMENDMENT REGARDING PEDI CABS AND COMMERCIAL QUADRICYCL ESES

Police Chief Studt explained that a peddle pub is a quadricycle operated by a driver and seats up to fifteen passengers who provide peddle power to travel around town. A pedicab has one driver and two passengers and is a taxicab-type bicycle combination. He explained the options are to prohibit the use or to allow these with restrictions and with or without alcohol. He explained that the ordinance limits the hours of operations and locations. He noted that when it is not in use, it cannot be parked on public property. He noted that the ordinance allows for administrative review of the route.

Commissioner Nickita noted that the City has experience with the slow moving vehicles around downtown and compared the restrictions with those for a horse-drawn carriage.

Mayor Pro Tem Hoff stated that she does not see any reason to have these in Birmingham. The streets are crowded enough and parking is a problem.

Commissioner Rinschler stated that he would agree to no alcohol and noted that there is no market for a pedicab in Birmingham.

MOTION: Motion by Nickita, seconded by Rinschler:
To allow the operation of pedi-cabs and pedi-pubs without the service of alcohol, and to amend the schedule of fees, charges, bond and insurance, Police Department section to add a fee for pedi-cabs and commercial quadricycles application in the amount of $50.

09-192-15  CHESTER STREET PARKING STRUCTURE TRAFFIC CONTROL EQUIPMENT

City Engineer O’Meara explained that maintenance cost on the current equipment is high. He explained the recommendation includes a cashless trial at the Chester Street Structure.

Mayor Pro Tem Hoff questioned who handles the process for getting the revenue from the credit cards.

Jay O’Dell, SP+ (formerly Central Parking), explained that SP+ handles it for the City. SP+ collects all the funds, then reimburses the City monthly based on the amount of funds received. City Manager Valentine explained that essentially SP+ is the Facility Manager.
Mayor Pro Tem Hoff questioned what happens to individuals who do not have a credit card with them in the parking structure. Mr. O’Dell responded that ambassadors will be on hand in the initial stages and there will be additional signage. Mr. O’Meara confirmed for Mayor Pro Tem Hoff that the trial will run for six months.

Mr. O’Dell confirmed for Commissioner McDaniel that the lead time for the equipment is eight to twelve weeks.

In response to a question from Commissioner Rinschler, Mr. O’Meara explained that a debit card will also be offered for individuals who do not want to use their credit card. The card can be loaded at any pay station or in the SP+ office.

MOTION: Motion by McDaniel, seconded by Dilgard:
To accept the recommendation of the Advisory Parking Committee to purchase new traffic control equipment at the Chester St. Parking Structure without cash payment being available, and to award Contract #15-15(PK), Parking Structure Traffic Control Equipment, to Skidata, approving the purchase of cashless payment equipment for the Chester Street Parking Structure in the amount of $195,000, charged to account #585-538.001-971.0100 (phase 1 of the contract). And further, asking the Advisory Parking Committee to review the cashless system and return to the City Commission with a recommendation on whether to continue with the cashless system at the remaining parking structures, prior to awarding the remaining phase 2 of the contract.
