The City Commission heard proposals from the following bistro applicants:

- The Factory Bistro, 2010 Cole
- SHO, 100 Townsend

In response to a question from Commissioner Hoff, Linda Mayer, attorney representing SHO, explained that if the bistro was approved, the Townsend Hotel would drop that space from the hotel's liquor license and the applicant would apply for a separate license.

Steve Kalczynski, representing the Townsend Hotel, confirmed that the owners are on board with the concept.

The Commission discussed the market study which shows the retail mix in the downtown. Commissioner Rinschler pointed out that SHO would not affect the retail mix.

He explained that the parking environment and demands of the buildings north of Maple between Woodward and Adams have changed since the creation of the Corridor Improvement Authority. The Corridor Improvement Authority will be discussing the potential to expand the district to include the commercial buildings on the north side of Maple.

Mr. O'Meara explained the vision is to have two public parking facilities in the triangle area - one on the north end and the other on the south end. He noted that it is appropriate to bring the 2007 parking study up-to-date based on what has happened in the seven years as the information is old.

City Manager Valentine presented the ordinance amendments for the creation of the perpetual care fund for the cemetery and to establish a standing cemetery board to assist with the long term needs of the cemetery.

Commissioner McDaniel expressed concern with the amount of interest earned on the perpetual care fund. Mr. Currier explained the restrictions the Municipalities have on the investment of funds.

Commissioner Hoff questioned whether the ordinance should state the source of the funds. Mr. Valentine stated that the intent of the ordinance is that the revenues generated from the cemetery would go back to the cemetery. Commissioner Hoff suggested the ordinance should include where the funds are coming from.

In response to a question from Commissioner Hoff, Mr. Valentine confirmed that Elmwood Cemetery would do the administrative work for the reclamation under the City's direction and control. He confirmed that Elmwood Cemetery would receive a percentage of the proceeds from the sale of the burial sites under the agreement.

Dorothy Conrad suggested changing the heading of Section 34-30 to clarify the establishment of a cemetery board. The Commission agreed to change the heading of Section 34-30 to Establishment of Greenwood Cemetery Advisory Board.

Pam DeWeese expressed support of the Cemetery Board.

George Stern suggested the cemetery board work with staff regarding exempting cemeteries from Public Act 20.
