11-277-14 2014 AUDIT PRESENTATION

Joe Heffernan, Plante Moran, presented the 2014 Audit. He discussed the positive financial outlook and budget variances. He commented that by using the five-year financial forecasting, the City has kept the fund balance at a very healthy level.

Mr. Heffernan explained that the major and local street fund revenue has dropped to a point where, under the accounting rules, it does not deserve to be its own fund. Therefore the reporting on the financial statement has changed where the general fund is consolidated with the major and local street activity.

Commissioner Rinschler noted that the City has been focused on retirement, not health care. If contributions continue to be made in the health care fund, it is expected to be diminished by at least one third by the time the new rules comes into effect. Mr. Heffernan confirmed and noted that three years ago the unfunded pension, was significantly larger. The City has done a lot to reduce it and is now ninety percent funded. Mr. Valentine stated that closing the system has made an impact on this as well.

**11-278-14 ORDINANCE TO REPEAL SECTION 74-310
 REGARDING THE TRANSPORTATION OF MEDICAL MARIJANA**

Police Chief Studt explained that the medical marijuana statute is undergoing changes through court decisions on a regular basis. As a result, the ordinance regarding the transportation of medical marijuana was found to be unconstitutional.

MOTION: Motion by Dilgard, seconded by Rinschler:
