INTRODUCTION

BACKGROUND AND PROCESS: In 2012, the Birmingham Museum (formerly Birmingham Historical Museum & Park) adopted a strategic plan for the period of 2013-2016. It was created with input from city staff and officials; the public; local churches, schools, and other cultural organizations; and major stakeholders such as the Friends of the Birmingham Museum. The resulting **2013-2016 Strategic Plan** also incorporated the findings of a **2012 Museum Assessment Program** report, a grant-funded audit and review of the museum's collection provided by the American Alliance of Museums/Institute of Museum & Library Services. The final strategic plan represented a broad effort to respond to community expectations, professional museum standards, and the museum's needs in a changing cultural environment. It emphasized changes in the museum field toward community engagement and the human stories that relate to the physical objects in the collection. Also emphasized was the expansion of public access to the collection, educational goals, and continued acquisition and care for the objects that tell Birmingham's story (including contemporary materials). The plan included objectives relating to the landscape, site improvements, and interpretation of the historic buildings. Re-branding the museum and broadening its visibility were also significant objectives.

The **2017-2020 Birmingham Museum Strategic Plan** revised and modified the goals and objectives based on changing technology and audience needs as objectives from the first plan were met or obsolete. The museum has made considerable progress towards the initial goals set by its first strategic plan and revision. As a result, additional review and updating of the plan by the Museum Board has been undertaken for 2021-2024.

The newly revised goals and objectives that follow in the **2021-2024 Birmingham Museum Strategic Plan** represent a careful consideration of the impact of the COVID-19 pandemic on current and future activities, especially virtual content and technological means of enhancing audience virtual experience. The Museum Board expects these adaptations to continue for some time, and they are reflected in the revised plan for 2021-2024. However, the ultimate goals and mission of the Birmingham Museum remain largely unchanged, while the methods of accomplishing established objectives continue to be flexible.

MISSION AND VALUE: The museum's mission statement reflects an inclusive and contemporary approach to integrating Birmingham's history in meaningful ways for its audiences, strengthening its value to the community and its long term sustainability.

The Birmingham Museum will explore meaningful connections with our past, in order to enrich our community and enhance its character and sustainability. Our mission is to promote understanding of Birmingham's historical and cultural legacy through preservation and interpretation of its ongoing story.

OVERVIEW

The **2021-2024 Birmingham Museum Strategic Plan** builds on the preceding plan, which continues to provide relevant overall direction.

Goals and their objectives form two different groups; 1) those related to the public service functions of the museum, and 2) those related to strengthening capacity and resources to carry out its mission.

Following the summarized description of goals and objectives, the updated 2021-2024 plan is presented in table format as a quick reference guide. As with previous versions, the 2021-2024 Strategic Plan is a living document whose purpose is to provide direction and guidance. Ongoing modification is expected as changing needs dictate. The Museum Board has the role and responsibility of reviewing and making recommendations for plan modification.
