CHIEF'S MESSAGE

January 2017

Birmingham City Commission
Joseph A. Valentine, City Manager

As the new chief of police for the City of Birmingham, I am very proud to present the 2016 edition of the annual report. I am honored to have been chosen to lead the police department and the information contained in this report reflects the outstanding efforts of the police officers, auxiliary police officers and non-sworn personnel that make Birmingham a safe and welcoming community.

The men and women of the police department are committed to serving this community and believe in our mission statement:

The Birmingham Police Department is committed to fairness, compassion and excellence in providing services sensitive to the priorities and needs of the community; the protection of life and property, the apprehension of criminal perpetrators and the prevention of crime in accordance with the law.

The chart below summarizes this report, delineating calls for service, major crime statistics and arrest categories. The crime statistics for 2016 continue to reflect that the crime rate has remained consistently low over the course of the past several years. Burglary incidents (both residential and commercial) were at a combined total of only 19 for the year. Considering that the City has approximately 8,500 residential structures and another 500 commercial structures, this is a number that all citizens should be very proud of. There were slight increase in larcenies (201 from 158) and robberies (4 from 3). Both adult and juvenile arrests were up in 2016. Included in this data for historical perspective are the crime statistics from 25 and 50 years ago.

In 2016, the Department made three major operational changes - a new command staff structure, the patrol operation moving to a twelve hour shift format and the addition of one new police officer to allow for the assignment of a senior officer to the FBI Financial Crimes Task Force. All of these changes have resulted in positive results. The command structure has been flattened to allow for greater communication and control. The twelve shift format has reduced sick time, reduced overtime and increased the number of officers on the street. The officer assigned to the FBI has assisted on a number of large scale fraud investigations of Birmingham residents whose cases crossed local, state and national jurisdictions.

The Department provides coordination for 21 special events throughout the City and emphasizes a commitment to providing foot patrols in the downtown business district during high traffic summer months and holiday seasons. In the spirit of community policing, the patrol division has embraced spending more time on residential patrols that include engaging residents, monitoring traffic and pro-active tactics to address criminal behavior.

As Chief, I am a firm believer in the use of multi-jurisdictional task forces organized under cooperative agreements with neighboring agencies. These task forces address specialized and complex crime and service related issues. Currently, the Department participates in seven of these task force/cooperative agreements:

CLEMIS (Courts and Law Enforcement Management Information System): 103 local and 6 state/federal agencies that share records management, computer aided dispatch systems and criminal data base records.

PSAP (Public Safety Answering Point): There are 21 different call centers throughout Oakland County. We provide consolidated dispatch services for the Village of Beverly Hills.

MCAT (Major Case Assistance Team): 9 agencies that provide experienced detectives to work on major and complex criminal investigations.

NET (Narcotics Enforcement Team): 14 agencies conducting narcotics investigations throughout the area. NET is administered by the Oakland County Sheriff's Office.

SIU (Special Investigations Unit): 5 agencies that cooperatively operate undercover operations, surveillance operations and fugitive apprehensions. SIU is administered by the Troy Police Department.

OAKTAC (Oakland County Tactical Unit): 33 agencies available to assist with specialized equipment and universal training for officers in the area of active shooter/hostage/civil unrest tactical situations.

FBI Financial Crimes Task Force: Cooperative agreement with the Federal Bureau of Investigation to assign officers to work on local fraud cases at the federal level to enhance investigatory capabilities and address large scale fraud cases crossing local, state and national jurisdictions.

In 2016, the Department joined the South Oakland County Crash Investigation Team or "**SOCCIT**" which consists of highly trained accident investigation officers from five local jurisdictions that are called out for serious or fatal vehicle and/or pedestrian crashes. The Department will train three officers to be accident investigators and will be a part of this consortium that provides the City with access to a 24/7 crash investigation team.

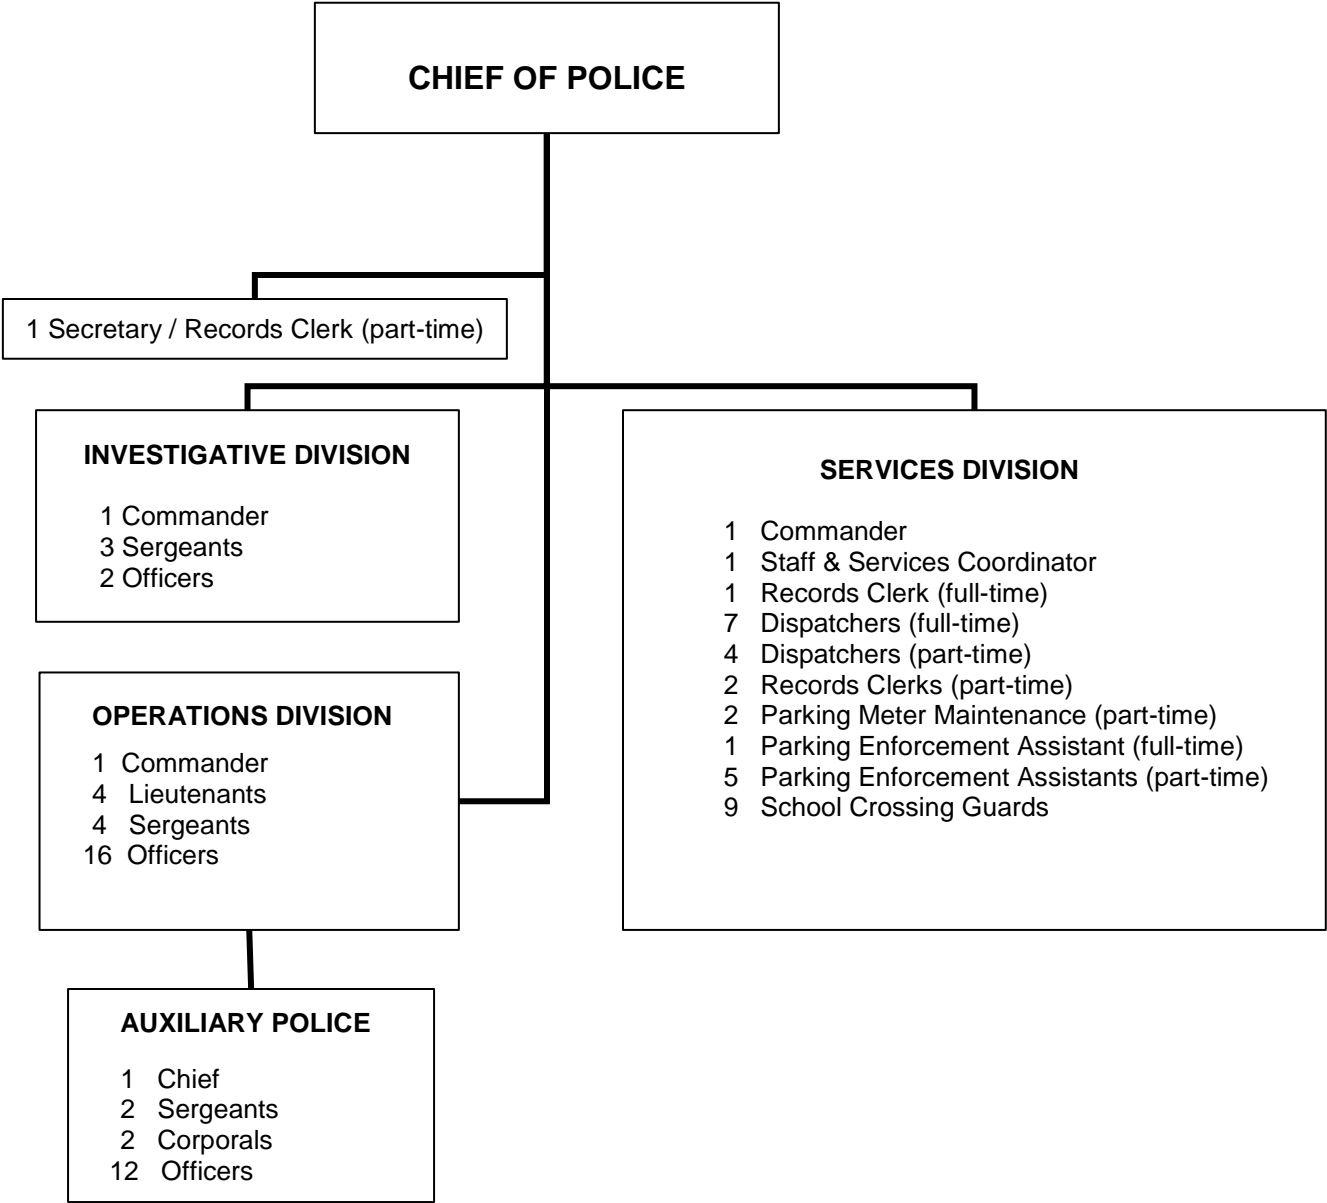

It is my hope that this message provides a well-rounded view of the commitment and dedication of the men and women of the Birmingham Police Department. We could not do the important work of preserving safety and quality of life without the help and support we receive from City Manager, the City Commission and the community itself.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "MHC", with a stylized flourish at the end.

SUMMARY OF OFFENSES, ARRESTS, AND VIOLATIONS

The primary goal of the department is protection of life and property, prevention of crime, and apprehension of criminal perpetrators. We strive to deliver the best possible police service in a professional, courteous manner to the residents of the city and to those who work, travel, and shop here.

In 2016, we responded to 14,863 calls for police service, a decrease of 11.38% from the previous year. These calls are classified into three separate groups:

Group A includes: Robbery, forcible sexual assaults, larceny, burglary, damage to property, etc.

Group B includes: Operating While Intoxicated (OWI), disorderly conduct, liquor law violations, misdemeanor sex offenses, non-violent family offenses, etc.

Group C includes: Traffic offenses, traffic crashes, juvenile offenses, warrant arrests, general patrol activity, etc.

Group A incidents were up 2.84%
2015 = 599
2016 = 616

AUXILIARY POLICE REPORT

The Auxiliary Police is comprised of dedicated volunteers who either live or work in the City of Birmingham.

Each member has been trained through the Police Academy Reserve Officer Training Program.

Auxiliaries assist regular officers during many special events held throughout the year and act as back up to the regular officers on patrol. Members of the Auxiliary Police are perhaps most visible while providing crowd, traffic control, and security for high school sporting events and also while participating in foot patrol assignments in the downtown area throughout summer.

In 2016 auxiliary officers provided 1,511 hours of service to the community.
