### **Birmingham In Stitches Yarn Bombing Project Coming Soon**

BIRMINGHAM, MI, September 8, 2017 – Yarn is headed to downtown Birmingham in a big way. The Birmingham Public Arts Board will hold a Birmingham In Stitches event from September 16 through October 8, 2017.

This project is intended to involve the Birmingham community in an interactive public art project and to raise awareness for public art programs in Birmingham, including the Art in Public Spaces partnership between the City and the Cultural Council of Birmingham-Bloomfield. It will involve knitting/crocheting large-scale objects for placement onto trees, parking meter posts, light posts, bicycle racks and benches.

A special thank you to the event volunteers who have supported the 2017 Birmingham In Stitches event. Those who are interested in participating in the next Birmingham In Stitches event are encouraged to contact project leader Anne Ritchie at (248) 635-1765 or [anneritchie7@yahoo.com](mailto:anneritchie7@yahoo.com).
